

ST LOUIS METRO ARES/RACES ORIENTATION SEMINAR

WHETHER YOU'RE A NEW VOLUNTEER TO ST LOUIS METRO
ARES OR A LONG-TIME PARTICIPANT, YOU'LL WANT TO ATTEND THIS SEMINAR!

This 6-hour orientation seminar will cover our updated local St. Louis Metro ARES/RACES Basic Emergency Operations and Digital Operations Plan, the District C plan, and the Missouri Section plan. Also discussed will be our interaction with our served agencies and MOUs both signed and in progress.

When:

September 30th, 2017

Time(s):

9:00am – 4:00pm

Lunch break from 12:00pm – 1:00pm

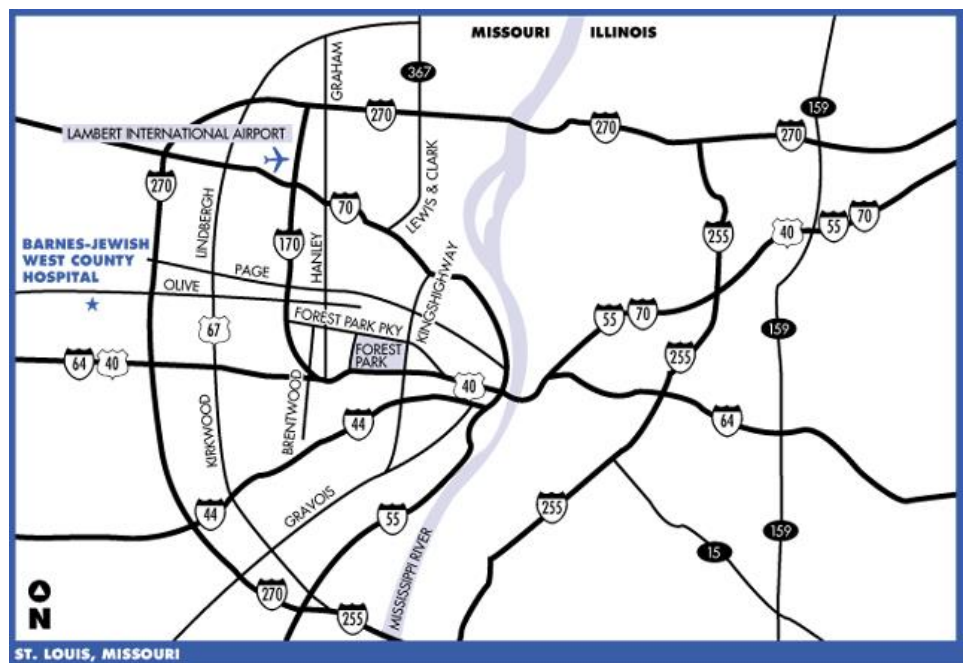

Where:

Barnes-Jewish West County Hospital
12634 Olive Blvd.
St. Louis, Missouri 63141

Class will be held in the Executive Dining Room off the cafeteria in the lower level of the main building.

Prerequisites:

A desire to know where you “the ARES volunteer” fit into the “big picture” should our services be requested.

Class Topics:

- An overview of each of the operations plans
- Which frequencies will be used and the associated communications plans for a local, district, and statewide response.
- What radio equipment you can expect to need for a deployment.
- How you fit into the “big picture” and how you can fill much needed work within our organization.
